

Propell® Workshop for the TOEFL iBT® Test

Learn how to teach with an interactive, communicative approach

Led by a local ETS-approved trainer in an interactive, hands-on classroom setting, the *Propell*® workshop is a one-day professional development program designed to help English-language teachers successfully teach students English as a second language. The workshop uses examples from all four sections of the *TOEFL iBT*® test: Listening, Reading, Speaking and Writing. It provides **instructional techniques** and **strategies** for using the **integrated-skills approach** to teaching language and for preparing students for success.

Teachers will receive a *Propell* workshop kit that will guide them through stimulating sessions on teaching techniques and activities and help them learn more about the benefits of the TOEFL iBT test. The workshop is also an opportunity to **interact with peers** and provide feedback to help us improve and develop assessments that meet their needs.
